

NOTICE OF VACANCY

DEPARTMENT: Water Quality and Water Pollution Control
TITLE: Sewer Maintenance and Equipment Operator
SALARY (GRADE): \$41,560 (21B) plus Excellent Benefits

THIS IS A COMPETITIVE CIVIL SERVICE POSITION.

DISTINGUISHING FEATURES OF THE CLASS: This is manual work operating specialized heavy automotive equipment to perform a variety of preventative maintenance and repair activities pertaining to a municipal sanitary sewage collection system and sewage treatment plant. Additional responsibility is required for making minor repairs to equipment and ordinary servicing. Greater skill is required than in the operation of lighter types of equipment and there is increased responsibility for the safety of others. The work is performed under the direct supervision of a higher-level supervisor, with leeway allowed for the exercise of independent judgment in carrying out the technical details of the job. Supervision over the work of others is not a responsibility of employees in this class. The incumbent works under the general supervision of the Sewer Maintenance and Equipment. The incumbent performs related work as required.

MINIMUM QUALIFICATIONS: Candidates must meet the minimum qualifications at time of application. Either:

Graduation from a high school or possession of a high school equivalency diploma; **AND**

- (A) One (1) year of experience in the operation of specialized heavy motor equipment; **OR**
- (B) Two (2) years of experience in the operation of mechanical automotive equipment.

NOTE: Verifiable part-time experience as described above will be pro-rated toward meeting full-time experience requirements.

SPECIAL REQUIREMENT: Possession of a valid New York State CDL Class B or higher without airbrake restriction and 'N' endorsement at time of appointment. License must remain valid throughout appointment
