STARTING SALARY/RANGE: $101,382-$112,647   Mohawk Valley Water Authority

VACANCIES: There is one (1) vacancy at Mohawk Valley Water Authority, Utica, NY. **The eligible list, established as a result of this examination, will be used to fill any appropriate vacancies which may occur in these titles under the jurisdiction of the Oneida County Commissioner of Personnel.**

In accordance with Section 52 of the Civil Service Law, preference in appointment will be given to employees permanently employed in any Oneida County department in which a vacancy occurs, after which appointments will be made from among all eligibles employed in Oneida County departments.

Appointments to a School, Library, Town, Village, or other civil division will be limited to those persons holding full-time, permanent competitive status within the civil division only.

MINIMUM QUALIFICATIONS: Candidates must meet minimum qualifications on or before the date of examination.

Candidates must have permanent, competitive status for a period of **forty-eight (48) months as a Senior Computer Programmer** at the Mohawk Valley Water Authority immediately preceding the date of this examination.

DUTIES: This is an administrative and technical position, involving the responsibility for the planning, directing, and coordinating the Division of Information Technology. The incumbent performs related work as required.

SENIORITY CREDIT: Computation of seniority points will begin from the date of original entry in the permanent, full-time classified service of the jurisdiction in which promotion is sought, followed by continuous service, preceding the establishment of the eligible list. Points will be added to an eligible score, as follows:

*Less than 1 year -	0 points	*Over 16 years up to 21 years -	4 points
*1 year up to 6 years -	1 point	*Over 21 years up to 26 years -	5 points
*Over 6 years up to 11 years -	2 points	*Over 26 years -	6 points
*Over 11 years up to 16 years -	3 point		

SUBJECTS OF EXAMINATION: There will be a written test which you must pass to be considered for appointment. The written test will be designed to evaluate knowledge, skills, and/or abilities in such areas as:

1. PREPARING WRITTEN MATERIAL:

These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.

2. PROJECT MANAGEMENT:

These questions are designed to test for techniques and concepts of project management. They may cover, but not necessarily be confined to, management of systems development, management by objectives, project scheduling and control techniques (e.g., PERT), characteristics of organizations and of the systems life cycle, and the development of data processing standards.

3. ADMINISTRATIVE TECHNIQUES AND PRACTICES:

These questions test for a knowledge of management techniques and practices used in directing or assisting in directing a program component or an organizational segment. Questions cover such areas as interpreting policies, making decisions based on the context of the position in the organization, coordinating programs or projects, communicating with employees or the public, planning employee training, and researching and evaluating areas of concern.

4. SYSTEMS ANALYSIS AND DESIGN:

These questions test for techniques and concepts of computer systems analysis and design. They cover such subjects as feasibility and applications studies, systems development tools and software, the systems life cycle, types of systems (e.g., client/server, Web-based), controls, and systems documentation, testing, and implementation.

5. SUPERVISION:

These questions test for knowledge of the principles and practices employed in planning, organizing, and controlling the activities of a work unit toward predetermined objectives. The concepts covered, usually in a situational question format, include such topics as assigning and reviewing work; evaluating performance; maintaining work standards; motivating and developing subordinates; implementing procedural change; increasing efficiency; and dealing with problems of absenteeism, morale, and discipline.

CALCULATORS ARE ALLOWED: Unless specifically prohibited, candidates are permitted to use QUIET, hand-held, solar- or battery-powered calculators **ONLY**. Devices with typewriter keyboards, such as cell phones, computers or devices which can be hooked up to a computer, spell-checkers, personal digital assistants, address books, language translators, dictionaries and any similar devices are **PROHIBITED**.

TEST GUIDE: The New York State Department of Civil Service has not prepared a test guide for this examination. However, candidates may find information in the publication '**General Guide to Written Tests**' helpful in preparing for this test. This publication is available online at: https://www.cs.ny.gov/testing/testguides.cfm.
